Reviews

This ebook might be really worth a go through, and much better than other. I have got study and i am sure that i will going to study again once more in the future. You will not feel monotony at at any moment of your own time (that's what catalogs are for regarding in the event you request me).
(Krista Lindgren)

MADAME PROSECUTOR: CONFRONTATIONS WITH HUMANITY S WORST CRIMINALS AND THE CULTURE OF IMPUNITY

Audible Studios on Brilliance, United States, 2016. CD-Audio. Book Condition: New. Unabridged. 171 x 133 mm. Language: English . Brand New. Carla Del Ponte won international recognition as Switzerland s attorney general when she pursued cases against the Sicilian mafia. In 1999, she answered the United Nations call to become the chief prosecutor of the International Criminal Tribunal for the former Yugoslavia and for Rwanda. In her new role, Del Ponte confronted genocide and crimes against humanity head-on, struggling to bring to justice the highest-ranking individuals responsible for massive acts of violence in Rwanda, Bosnia and Herzegovina, Croatia, and Kosovo. These tribunals have been unprecedented. They operate along the edge of the divide between national sovereignty and international responsibility, in the gray zone between the judicial and the political, a largely unexplored realm for prosecutors and judges. It is a realm whose native inhabitants political leaders and diplomats, soldiers and spies assume that they can commit the big crime without being held culpable. It is a realm crisscrossed by what Del Ponte calls the muro di gomma the wall of rubber a metaphor referring to the tactics government officials use to hide their unwillingness to confront the culture of impunity that has allowed persons responsible for acts of unspeakable, wholesale violence to escape accountability. Madame Prosecutor is Del Ponte s courageous and startling memoir of her eight years spent striving to serve justice.
