Isles of Amnesia: The History, Geography, and Restoration of America's Forgotten Pacific Isles (Hardback)

By Mark Rauzon

University of Hawai'i Press, United States, 2015. Hardback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book. For over a quarter century, Mark Rauzon has worked in the developing field of island restoration--a branch of science that strives to control or completely remove pests and weeds from environments in which they don't belong. His job has taken him to numerous atolls in the American Insular Pacific to eradicate the pests that have been introduced, either on purpose or accidentally, by humans. These U.S. possessions and territories are the nearest neighbors to the state of Hawai'i and include various islands and atolls: Kiritimati, Jarvis, Howland, Baker, the Northern Marianas, Palmyra, Wake, Johnston, and Rose Atoll in American Samoa. Recently, the islands have anchored a vast National Marine Monument program created to protect the largest area in the world safe from human exploitation. The remoteness of the islands has served the needs of whalers and guano miners and later that of military secret projects, missile launching, chemical weapon incinerations, and air bases. Isles of Amnesia chronicles the ecological history of these islands and recent efforts to restore nature's balance. In order to save threatened...
