Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

It is not urged against any successful business man that he formerly sold newspapers on the streets, or peddled goods from door to door, or stood in front of a clothing store hailing passers-by to inspect his stock. That is not the point at all. The point is here: men who come from such employments, with no gradations between, with nothing but a commercial vision of the show business, can hardly be expected to understand, or, if they understand, to be sympathetic with a view of the picture drama which includes both art and morality. Mr. Laemmle, it will be remembered from a former article, said of his company, The Universal does not pose as a guardian of public morals or of public taste. This is probably the attitude of other producers, too. But though they avoid any responsibility for taste or morals, they consistently fight all attempts of the state to set up a public guardianship in those regions. A business that frankly brutalizes taste and demoralizes morals should not be permitted to be a law unto itself. It is very difficult to see how the Jewish leaders of the United States can evade the point that Motion Pictures are Jewish. And with this being true, there is the question of responsibility upon which they cannot very well be either impersonal or silent. The moral side of the movies influence need not be discussed here because it is being discussed everywhere...
