Createspace, United States, 2015. Paperback. Book Condition: New. 230 x 154 mm. Language: English . Brand New Book ***** Print on Demand *****.It s a perfect gift for Father s Day, Valentine s Day, birthdays, graduations, and bar mitzvahs---and a particularly apt gift for men who shave daily but when asked whether they actually enjoy shaving answer, No. I hate it! Give them this book so that they can look forward eagerly to their next shave---and that is not an exaggeration. Men who have just started DE shaving frequently write that they wish they could shave more than once a day and look forward eagerly to the next shave. This is the seventh edition of the complete beginner s guide to traditional wetshaving---brush, shaving cream or soap, and using a safety razor with double-edged blade. It s a major update of the previous edition: longer, with new sections and new information. It covers not only the basics of how to shave with a double-edge safety razor, but also DIY projects and guidelines on collecting. Reviews of new razors and other shaving products are included, and the appendix now includes over 150 on-line vendors as well as forums and reference sites. The book provides excellent guidance for beginners putting together their first shaving kit and discusses tradeoffs in the options for the initial purchases. Traditional shaving is enjoyable and thrifty: double-edged blades are as low as 7cents each---a year s worth of shaves for \$3.50---compared to the same amount spent for one single disposable multiblade cartridge. The recommended beginner razor, the Parker 24C, can last a lifetime and uses a head that is both very comfortable and also very efficient, when used according to the techniques described in the book. The multiblade cartridge s tug-and-cut action often results in skin irritation,...
