Brand New Book ***** Print on Demand *****.Most of us write linearly but brainstorm in a nonlinear way. If one thinks of writing a book as being similar to putting together a puzzle, this workbook is intended to help writers create key puzzle pieces. This workbook is intended to help writers brainstorm and plan out their books in a way that is organic. April Kihlstrom was one of the first writers to embrace the concept of Book in a Week. She has been teaching the material in workshops and online classes for years. All of the material in this book comes from her experience both as a multi-published author and in teaching these workshops and classes. April s questions will make you explore your ideas -- and give you new ones. They will challenge you to develop the full potential out of your story. --Anne McAllister, award winning author contemporary romances Through the series of questions that April asks she makes each author delve deeply into their character and story line. April s questions make you think about how your character s history, social standing, occupation, family position, and more impacts how they handle the various situations we authors toss them into. At the end of April s class you have a deep understanding of your characters that writing the story will be a breeze. --Ruth Seitelman, published author I will be forever grateful for the month I spent doing your lessons in BIAW. The lessons were, indeed, thought-provoking. The questions you asked me to answer made me really think about where I was going with my book, and how I could make it the most interesting. I worried that, since I am writing non-fiction,...
