

## Sally Ride: Life on a Mission (Paperback)

By Sue Macy

Aladdin, United Kingdom, 2016. Paperback. Book Condition: New. Reprint ed.. 188 x 135 mm. Language: English . Brand New Book. Sally Ride was more than the first woman in space she was a real-life explorer and adventurer whose life story is a true inspiration for all those who dream big. Most people know Sally Ride as the first American female astronaut to travel in space. But in her lifetime she was also a nationally ranked tennis player, a physicist who enjoyed reading Shakespeare, a university professor, and the founder of a company that helped inspire girls and young women to pursue careers in science and math. Posthumously, she was a recipient of the Presidential Medal of Freedom. From Sally Ride's youth to her many groundbreaking achievements in space and beyond, Sue Macy's riveting biography tells the story of not only a pioneering astronaut, but a leader and explorer whose life, as President Barack Obama said, demonstrates that the sky is no limit for those who dream of reaching for the stars.
