Reviews

It is one of the best books. Indeed, it really is a play, nevertheless an amazing and interesting literature. It is extremely difficult to leave it before concluding, once you begin to read the book.

While these institutions serve important uses as treasure-houses in which literature and knowledge are accumulated and from which they may be diffused wherever there is a demand, this wide diffusion to the people of each section is best accomplished by means of carefully edited compilations. We have been glad to assist others in the preparations of manuals and works of reference, and here we offer a collection in regard to which past experience has been a constant guide. In the present Library of Historic Characters and Famous Events we have selected from the records of the world s progress such personages and such facts as have a valid and pre-eminent claim for remembrance by the people of the present day. The careers...
