Brand New Book ***** Print on Demand *****.Not just fantasy, but a unique blend of clear-minded surrealism and mischievous earthy satire, directed to achieve a powerful end. Philip Goddard wrote five novels from 1990 to 1993, and Three Blind Executioners is the last of these. He was at that time gestating as a significant symphonic composer, and he approached his literary works as though they were music compositions, indeed all five novels and some of his short stories and poems actually being the literary equivalent of complex, organically structured symphonies, in which ideas, phrases and even individual words are treated like melodic motifs in such a symphony. At that time his particular model of symphonic organization and structuring was the late symphonies of Sibelius and especially the symphonies of the 20th Century Danish composer Vagn Holmboe - though Goddard's own musical symphonies, when they did come, were more diverse in approach. Each of the novels defies standard (say, BISAC) categorization, overlapping equally with a number of categories - which means that labelling with any one of those categories would misrepresent the respective work. On what is destined to be remembered by many as Good Saturday, darkness and earthquake come to Dave Unglebury's very own town of East Thruxted; he has chanced upon the lynching and crucifixion of Fred, the new supposed Messiah . On the Third Day an extraordinary letter arrives amongst Dave's mail, resurrecting a childhood ambition of his; it is an invitation to join a team of eminent mountaineers to ascend a new and extremely challenging route up the South-West face of Mount Everest. The catch is that Dave is no mountaineer and cannot imagine why such an invitation has...
