Mittal Publications, New Delhi, 1996. N.A. Book Condition: New. Viii+222pp The 73rd Constitutional Amendment Act brought far reaching changes in existing Panchayati Raj Institutions. Now they have got a constitutional status and new hopes and aspirations have been generated among the rural masses of having the power to govern themselves. The present volume is based on the new experiment with Panchayati Raj in Madhya Pradesh as it was the first state to bring all the three tiers in action. After giving introductory background the study depicts the genesis of Panchayati Raj Institutions, their present position and the futuristic trends. Subsequently it analyses the functioning of New Panchayati Raj in Madhya Pradesh and attempts to measure the success or failure of the system on various empirical parameters. The finding and recommendation of the present volume will help the policy planners and people's representatives to shape the things in proper perspective for the effective functioning of Panchayati Raj in near future. Though the analysis of facts and finding are of micro nature but keeping in view the total picture of the country, these may be applicable at the macro level. A useful book for policy planners, administrators, academicians, researchers and to all those connected with the Panchayati Raj System throughout the country.
