These two classics by #1 New York Times bestselling author NORA ROBERTS prove that home is where your heart is. *Song of the West* Former world-class gymnast Samantha Evans's sole purpose for being in Wyoming is to help her sister through a difficult pregnancy. So when she meets handsome Jake Tanner, she wills herself to resist the intense attraction between them. After receiving the offer of a lifetime from her former coach, Samantha feels torn between the new opportunity in California and her growing desire for Jake. When a sudden blizzard strands Samantha at Jake's home for three days, their mutual passions flare, but Samantha still isn't sure if she should follow her dreams or follow her heart. *Unfinished Business* Vanessa Sexton used to know what she wanted. Her dreams of glamour and fame were out there, waiting. But at twenty-eight, nothing comes easy. Not even going home. She misses her mother, but can't even say the word mom. She needs time and space to sort things out, but rational thought is impossible when she runs into Brady Tucker, her first love--her only love. Old passions soon resurface, but Vanessa's unsure about the future. How can she give herself to someone else when she's still figuring out who she is?.
