Having been only lovers, Bella and Xander must now become friends if their relationship is to endure the hardships of longevity. Before they can begin their new life together, they must also learn to accept each other for who they really are - in and out of the office and bedroom. For Bella, being the fiancée of a busy CEO is difficult enough, but being a full-time medical student as well, is even more challenging as she tries to find the time for her man and her education. For Xander, living the life of a worldly CEO and being the fiancée of a hard-working medical student has its up and downs, too. Realizing that being a submissive to Mr. Pettifor 9-5 doesn't compare to being his obedient partner 24/7, Bella thinks she has the perfect plan to strengthen their bond and to spend more time with her alpha male - to attend the school which Xander teaches at so that she learn exactly what he needs in a partner. Submerged in the domestic discipline lifestyle, she's forced to see the man she loves educating other women, something she wasn't prepared for. Headstrong and tenacious, Bella refuses to quit even when she realizes she must be willing to be instructed by other men in order to achieve her goal of finishing the DD Program. But is...
