Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.How can parents help their children to survive a divorce and find happiness and success? This book, written by a counselor with extensive experience in assisting the children of divorce, looks at the questions most frequently asked by divorced parents and their children. The answers consider a wide range of practical tips and strategies that can make a positive difference in helping kids (and their parents) to survive a divorce. The questions and answers include the following: - Does divorce always cause problems for children? -What are some of the main factors that contribute to children of divorce growing up to be happy and successful adults? - What are the stages of grieving and what do they have to do with divorce? - What should I tell my children? - Should my ex and I do things together with our children? - How can I deal with my child's anger? - What should I do if my child becomes depressed? - Will my child ever accept my divorce? - What should I communicate to my child's teachers? - What form of custody and living arrangements are best for my children? - What do my kids need to know about the divorce settlement? - Isn't it hard for children to go back and forth between two houses? - What if my ex and I have completely different approaches in raising our children? - What if my ex and I can't stop fighting? - What is normal behavior for a child after a divorce? - What should I do if my child is struggling at school? - What can I do if my...
