P R PUB CO, United Kingdom, 2010. Paperback. Book Condition: New. 211 x 135 mm. Language: English . Brand New Book. The doctrine of atonement is under debate. Evangelical publishing houses are releasing books that purport to change our understanding of this central Christian doctrine; church leaders are asking for the emphasis to change away from Christ as sin-bearer to Christ as exemplar of God s love (as if they need to be mutually exclusive?). What have some of the churches best-known theologians and pastors to say on the matter? Published in conjunction with the Alliance of Confessing Evangelicals, this is a collecting of outstanding presentations on the Atonement from recent PCRT meetings, together they make a strong case for the Reformed view of Atonement, but this book doesn t just discuss points of theology; it also shows the implications of that theology and how to communicate it - brilliant! --Pub. website.
