Fanged Wilds and Women Publishing, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Predators balance Mother Nature. So Farraga takes time off from menopause to run a charity - Fanged Wilds and Women Program - for ladies around the world to protect the most dangerous animals in their natural habitats. Few ladies end up being eaten. They are, however, targeted by extremists to whom one word is an unspeakable obscenity: Eco-feminism. Many can't even pronounce the word. What can the ladies do to defend themselves? Besides patrolling livestock at the margins of wilderness, the micro-finance recipients market apparel that - theoretically - repels animal attacks. For instance, F.W.W.P. uniforms are garish, since bright colors can indicate toxic unpalatability. Celebrities espouse the style as a trendy statement. Fashion models, snobs and the hoi-polloi head toward climate collapse. F.W.W.P. anti-poaching squads stand up to opponents - even vegans, and fanatics of every stripe - and ultimately Save the World.
