Goose River Press, 2014. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "If the government of Hawaii had not been illegally overthrown by the U.S. Marines through a classic act of Manifest Destiny and American-style gunboat diplomacy, Hawaii would still be an independent sovereign nation today. Notwithstanding a series of clever illegal moves by the U.S. government, Hawaii cannot be considered a legally bona fide state of the United States. . . . In 1959 the U.S. falsely informed the U.N. that Hawaii had become the 50th state of the United States after an illegal plebiscite. . . . Jon Olsen . . .convincingly points out that the fraudulent claim of Hawaiian statehood is immoral, illegal, and unconstitutional." -The late Thomas H. Naylor, Professor Emeritus of Economics, Duke University "Jon Olsen is a warrior of truth, proclaiming a vision of Hawaiian sovereignty. He is not alone. The Hawaiian Resistance that began sweeping across the islands forty years ago has become a storm of new consciousness. Where will it blow? Olsen charts that storm's history and possibilities. For readers whose eyes can see a radically free Hawaii, here it is." -Jim Douglass, author of JFK and The Unspeakable ." . .you are an incredibly gifted writer and inquiring spirit. Congratulations on such a difficult achievement The research is impressive and your writing cohesive and erudite without being pompous." -Belva Ann Prycel accomplished artist and author of memoirs Passage, Times and Tides, and Water Tales.
