

The Small Business Guide to China: How Small Enterprises Can Sell Their Goods or Services to Markets in China

By David Howell

Brightword Publishing. Paperback. Book Condition: new. BRAND NEW, The Small Business Guide to China: How Small Enterprises Can Sell Their Goods or Services to Markets in China, David Howell, Since China opened its doors to the world in 1978 its growth has been nothing short of meteoric. The 2007-09 credit crunch had little or no impact on the Chinese economy that continues to grow by almost 10% a year. China itself is now the fourth largest economy behind the USA, Germany and Japan, and if its current growth can be sustained, analysts expect China to become the world's largest economy by 2025. China is not, though, simply the factory of the world. As the Chinese economy has developed, so has its population, with an estimated 8.5 million Chinese citizens migrating to urban areas each year in search of work and a better standard of living. As a result, the market for your business' goods and services is inexorably growing. But can small businesses really compete in this vast market? It's a question that many small business owners are asking themselves. The Small Business Guide to China looks at not only how the Chinese economy works and what its citizens want...

Reviews

An exceptional pdf and the typeface utilized was fascinating to read through. It can be written in straightforward words and phrases instead of confusing. I am just quickly could possibly get a delight of looking at a written ebook.

-- Prof. Arlie Bogan

It is in a single of the best book. This is for those who state there had not been a well worth reading through. Once you begin to read the book, it is extremely difficult to leave it before concluding.
